All New Jersey Motor Vehicle Commission agency and road testing facilities will be closed effective immediately as a measure to mitigate the spread of COVID-19. We anticipate re-opening in two weeks, on Monday, March 30, 2020.

All driver licenses, non-driver IDs, vehicle registrations, and inspection stickers expiring before May 31 have been extended by two months.

Most renewals, replacements, changes of address, and other transactions can be processed online at NJMVC.gov.

Headquarters (TOC) and online services will continue operations.

Borough of Englewood Cliffs

2 hrs · 🌐

We are very thankful to Sujan Munver, a resident high school freshman, who 3D printed 75 face shields for the Englewood Cliffs Police Department and Department of Public Works.

Other residents have donated and delivered thousands of face masks and gloves to their neighbors.

But wait there's more: another group of residents has grocery shopped for senior citizens.

We are all smiling behind our face masks and we are reassured that our community cares.

Englewood Cliffs Cares!

With enough time, initiative, and compassion, anything is possible. Dwight Englewood freshman and Englewood Cliffs resident, Sujan Munver spent over 10 hours 3D printing, manufacturing, and assembling face shields and generously donated the final product to the Police Department. Sujan is yet another representative of the brightest part of our future as we press forward through this adversity together!
